Forecast for Monday 26 Oct 2020

Weather: Some showers or longer spells of rain in the early hours, these mainly in the west of the region. Monday will see some bright or sunny intervals, although some low cloud expected across the Perthshire hills and the Ochils at first in the morning. Largely dry although an isolated shower possible through the day.

Chance of cloud free mountain/hill tops above 800m: Patchy cloud between 700 and 900 metres through the day, this more extensive in the morning across the south before breaking up.

Visibility: Outside of cloud generally good.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Met Office Aberdeen Meteorologist's View
Low confidence for extent of any low cloud on Monday, far west most prone cloud on the tops.

Forecast for Tuesday 27 Oct 2020
Weather: The morning and first part of the afternoon will be dry with some hazy sunshine. Low cloud and rain will spread across all ranges from mid-afternoon before clearing way in the evening. Some wet snow possible on the very highest tops for a time.

Maximum wind: Southerly 25 mph

Chance of cloud free mountain/hill tops above 800m: Most summits free of cloud until early afternoon, then widespread cloud between 400 and 600 metres, this clearing away in the evening.

Visibility: Outside of rain generally good

Temperature: **Glens:** Minus 1 rising to 9 Celsius
At 800m: Plus 4 Celsius
Freezing level: 1200 metres rising above summits for a time in the afternoon and early evening.
